

REMARKS

This Supplemental Amendment is filed further to Applicants' Reply and Amendment filed on December 17, 2003, and in further response to the Office Action of June 17, 2003.

The phrase "at least one gate electrode" is deleted as redundant and "a solidified electrolyte" is amended to clarify issues of grammar. Thus, the amendments herein are made to address formalities and do not introduce new matter. Entry of these amendments is respectfully requested.
